

# Enable holistic teacher development enhancing non-cognitive skills

Teacher Success Platform (TSP) partners with professional development providers to provide our specialist T-Inight content to develop teacher professionalism and the socio-emotional competence that enables classroom success. We can provide content with the recognised TSP look and feel or develop 'own brand' content for your platform.

### Classroom readiness solution

Build the confidence and competence of your early career teachers, improving classroom performance and reducing mentor workload.

### Accredited, integrated solutions for classroom readiness

Develop professional behaviours essential to classroom success, T-Inight courses are CPD accredited and designed to compliment mentoring activity. T-Inight can be delivered as an integrated part of ECF support.

### Award-winning content & learning approach

Utilising a scenario-based learning approach, T-Inight is an award-winning learning solution that develops the behavioural attributes required for teaching success.

### Scalable, Cost-Effective CPD Solution

Our solutions can be delivered to a large number of users at a very low cost. Bespoke scenarios can be developed quickly and cost effectively to reflect specific organisational or environmental contexts.
